EVERY BOARD HAS A STORY

Incorporate the latest home decorating trend into your next project design with Reclaimed Lumber

Reclaimed Lumber and Barn Boards from **Graphic Pallet** offers:

- Seasoned features from exposure to weather and light
- Rich colors, texture, and grains
- Alluring finishes, unique characteristics and paintable surfaces
- Easy installation at a fraction of the cost of traditional coverings

Perfect for:

- Walls, ceilings, furniture, and patios
- Applications in bars, restaurants, and homes
- Whatever you can imagine!

Available in:

- A wide variety of sizes and grades
- Many colors including gray, beige, brown and silver

Beautiful to behold and intriguing to touch our salvaged reclaimed lumber and barn boards are sourced in the USA!

We also carry a wide variety of pallets for making furniture, tables, wall hangings, art projects, etc.

Graphic Pallet stock of boards changes frequently. Home delivery is available. Ask about experienced installation (additional cost). Located in Plainfield, Illinois, we are family owned and have been in business for over 22 years providing quality products to many companies throughout the Chicagoland area and local suburbs.
